

POLICY ADOPTION

Policy proposals and suggested amendments to, or revision of, existing policies shall be submitted to all members of the board and to the superintendent in writing prior to a regularly scheduled board meeting in which such proposed policies, amendments, or revisions shall be given first reading and discussed. A vote for adoption shall take place at the next appropriate regular meeting of the board.

Temporary approval of a policy may be granted by the board to meet emergency conditions or special events which would take place before formal adoption could be enacted. This temporary action shall be by majority vote of the full membership of the board.

Minutes of each meeting shall reflect any readings and action taken.
